

AGENTS LEAGUE HACKATHON

Registration Deadline: Friday, June 12, 2026, 12:00 PM Pacific Time.
Hacking Period: Thursday, June 4 – Sunday, June 14, 2026, 11:59 PM Pacific Time.

Ready for your next challenge? Put what you learn at Microsoft Build into action and compete for prizes at **Agents League** hackathon. Create and submit an AI agent to climb the leaderboard and compete for a total of \$55,000 USD in prizes at this esports-inspired hackathon.

Challenge tracks—pick one or compete in all three:

- **Creative Apps:** Build innovative applications with AI-assisted development using GitHub Copilot.
- **Reasoning Agents:** Create intelligent agents using Microsoft Foundry that solve complex problems through multi-step reasoning.
- **Enterprise Agents:** Build business-ready agents for Microsoft 365 Copilot.

To help create your agent, you’ll have access to:

- Live coding battles.
- Curated technical experiences and on-demand content.
- Resources on Microsoft Learn and AI Skills Navigator.

Get Started:

- Complete your registration by June 12, 2026, 12:00 PM Pacific Time.
- Review [Agents League hackathon rules and regulations](#) for prize categories and judging criteria.
- Join a live coding battle, [click here](#) for the full schedule.

Submit Your Project:

- Submit your project by June 14, 2026, 11:59 PM Pacific Time.

[Click here](#) for the Microsoft Event Code of Conduct.

Agents League hackathon is open to the public and offered at no cost. Prizes will be awarded to select category winners. Prior to registering for this event, government employees must check with their employers to ensure their participation is permitted, and in accordance with applicable policies and law.
